

**August 7, 2009**

**QUICK QUOTE:**

**ROBERT GARRIGUS**

**Q.** Seemed like you got off on a bad start, couple of bogeys early. But after that you had it going?

**ROBERT GARRIGUS:** It was one of those things, I hit a very bad wedge shot on 10. And then I got back to the green in 2 on 11 and 3-putted. And that was playing long this morning.

So I hit two really good shots and then didn't make many putts after that. And then bogeyed 14. And then 17 I chipped it in for eagle. And then birdied 18 and that got me going for the rest of the day. Made another eagle and a couple more birdies and got up-and-down on 9. So it was fun.

**Q. Good up-and-down on 9. Got into a little trouble there on the right just off the fairway?**

**ROBERT GARRIGUS:** Yeah, I blocked it. And that line, with my driver, I can't hit that line. It goes into the trees like it did. It was probably the worst swing all day. I hit it really good. I think I only missed a couple fairways and a few greens. It was nice to escape with a par and get in the house.

**Q. Had something like eight or nine 3s on the scorecard. It's going to look pretty good when you get in the clubhouse?**

**ROBERT GARRIGUS:** Absolutely. It's always nice. I had two chips in for eagle. One was a putt, but it was off the green. The first chip in for eagle was a surprise. It was a tough chip. It was on 17. That flag's nasty right there. Kind of breaks both ways, and it was kind of nice to get those in. It was fun.

**Q. You're 67 today. 69 yesterday in the wind. How would you compare those two rounds?**

**ROBERT GARRIGUS:** Today's round was about the same as yesterday. I felt I could have

squeezed five shots out of yesterday's round. I hit it really good. I missed a ton of putts. I think I only had like 32 putts or 31 putts and shot 3-under. So I hit it really low yesterday. Hit it well again today and we'll try keep going for the weekend.

**Q. Satisfaction has got to be pretty good going into the weekend?**

**ROBERT GARRIGUS:** Absolutely. It's a great place. Fun place to be. The people are really nice. It's nice to be here and playing well.
